Local First Key Card Program

[CLICK HERE to View in your browser](#)

When you shop at a local business, a significant amount of that money stays in the community and is reinvested in the form of: taxes that help enhance public services | greater employment opportunities | support of local civic and non-profit organizations | increased local business-to-business purchasing.

Since 2015, the Chamber has spearheaded a **Local First** initiative that encourages area residents to look to our first-rate lodging, restaurants, shops and service providers that offer individualized, outstanding customer service when choosing where to stay, shop, dine, or locate a service.

Simply show your **Local First Key Card** at a participating Avon/Canton Chamber member business, and you will receive the discount/deal they are offering. Make sure to **CHECK OUT OUR [LOCAL FIRST PAGE](#)** as offers are updated on a regular basis.
